

CONSTITUTION, BYLAWS & POLICIES

Education Students' Council

ABSTRACT

The following are documents which pertain to the governing of the Education Students' Council at the Faculty of Education, University of Western Ontario. These documents were updated May 2018.

What is a Constitution?

A constitution is a set of fundamental principles or established precedents according to which a council is governed. These rules together make up, i.e. constitute, what the entity is.

What are Bylaws?

Bylaws define the governing and operational rules of the Education Students' Council under which its members must operate on behalf of Teacher Candidates. They specify when the members meet, when the Annual General Meeting takes place, and the term of office for elected members, etc.

What are Policies?

Policies are set by the executive committee to define the operations of the company, such as election of members, attendance procedures, student relations, communications, financial policies, executive and council conduct, and other operational matters.

Why Do We Have Bylaws *and* Policies?

By-laws and policies are an important part to the governing process. They ensure that the Education Students' Council continues to operate in a transparent and accountable way.

Mission Statements

The University Students' Council

To enhance the educational experience and quality of life for all undergraduates at Western University.

The Faculty of Education

To provide high-quality academic and practical studies in education and to emphasize developing the knowledge, skills, qualities, and habits of mind that define professional teachers and leaders in education.

The Education Students' Council

The ESC aims to improve academic, social and professional development of all Teacher Candidates at the Faculty of Education. To enhance and support the student experience and well-being throughout the two year Bachelor of Education program at University of Western Ontario.
